Regional Telecom Training Centre Jaipur is one of the premier training institutes of BSNL having well-qualified technocrats and experienced professionals as faculty members. It imparts training in modern Telecommunication Engineering, Information Technology, and Management to BSNL executives. We have fully equipped labs of state of the art technology like Broad-band, Networking, Computers, transmission system, MLLN, Switching system and other labs.

We are also imparting training and knowledge to students pursuing Engineering to enhance student industry relationship at moderate charges. We are pleased to inform you that BSNL has now allowed Industrial visits to BSNL Exchanges/Training Centres/BSNL Installations by students/personnel from other organization with following terms & condition.

CHARGES FOR INDUSTRIAL VISIT

Sr. No.	Type of visit	Rate	Upto 25 Students (No discount)	Students from 26-50 (10 % discount)	Students No. 51 & more than 51(20 % discount)
